**Certification Letter\***  
**SEI Ref. No.: SBA DRA 02**

Dear Mr. Donaldson:

We are pleased to confirm that the Draeger Safety AirBoss Evolution Plus and AirBoss Evolution PSS100 Plus SCBA are certified by the Safety Equipment Institute as meeting the requirements of the *NFPA 1981, Standard on Open-Circuit Self-Contained Breathing Apparatus for Fire and Emergency Services, 2002 Edition*.

These items were submitted for certification with your letter of November 22, 2002. Testing was authorized on November 27, 2002 and was successfully completed on March 03, 2003. Confirmation of NIOSH approval has been received.

\* This certification letter is being reissued to include reference to both the AirBoss Evolution Plus and AirBoss Evolution PSS100 Plus SCBA configurations. This letter supercedes SEI Certification letter dated March 7, 2003.

The SEI Certification Mark may be used in the marketing, packaging and promotion of the models detailed above, in accordance with the provisions of the *SEI Certification Program Manual*. As required by the NFPA Standard, audits of the manufacturing facilities will continue every six months.

Thank you for your participation in the SEI Certification Program. Please feel free to call me if you have any questions or need additional information.

Sincerely,

A handwritten signature in black ink that reads 'Stephen R. Sanders'. The signature is written in a cursive, flowing style.

Stephen R. Sanders  
Technical Director
