Mr. David Haston, P.E.
Chief Engineer, SCBA
Survivair
3001 South Susan Street
Santa Ana, CA 92704

Certification Letter
SEI Ref. No.: SBA SRV 04

Dear Mr. Haston:

We are pleased to confirm that the Survivair Panther SCBA is certified by the Safety Equipment Institute as meeting the requirements of the *NFPA 1981, Standard on Open-Circuit Self-Contained Breathing Apparatus for Fire and Emergency Services, 2002 Edition*.

This item was submitted for certification with your letter of February 26, 2002. Testing was authorized on March 25, 2002 and was successfully completed on September 16, 2002. Confirmation of NIOSH approval has been received.

The SEI Certification Mark may be used in the marketing, packaging and promotion of the models detailed above, in accordance with the provisions of the *SEI Certification Program Manual*. As required by the NFPA Standard, audits of the manufacturing facilities will continue every six months.

Thank you for your participation in the SEI Certification Program. Please feel free to call me if you have any questions or need additional information.

Sincerely,

A handwritten signature in black ink that reads 'Stephen R. Sanders'.

Stephen R. Sanders
Technical Director
